

COLLEGE OF ARTS & SCIENCES

Scheduled Class Times:

To allow students time to get from one class to the next, undergraduate day classes begin ten minutes after the time designated in Course Listings.

Students in the College of Arts & Sciences may take courses in the other undergraduate day schools without incurring additional tuition costs (unless the course requires lab or materials fees). Majors are available in computer science and systems science from the School of Engineering; majors are available in accounting, finance, marketing, international business, etc. from the Olin Business School. Minors are also available to Arts & Sciences students from the College of Art, College of Architecture, Olin Business School and the School of Engineering. For more information visit the appropriate website for our other undergraduate schools:

Olin Business School
Sam Fox School of Design & Visual Arts
School of Engineering & Applied Science

DEPARTMENTS

African & African-American Studies (L90)
American Culture Studies (L98)

Sociology (L40)
Spanish (L38)
Speech & Hearing (L89)
Urban Studies (L18)
Women, Gender & Sexuality Studies (L77)
Writing (L13)

ACADEMIC CALENDAR

Refer to the University-wide calendar at registrar.wustl.edu for a list of the dates and deadlines applicable to the semester.

READING PERIOD & FINAL EXAM SCHEDULE

The Spring 2019 reading period and final exam period will be May 2-8, 2019. Exam days and times are part of course listings and will be included on your course schedule.

EVENING EXAMINATION SCHEDULE

LARGE FRESHMEN AND PREMED COURSES

Courses with evening exams will note the days and times as part of the course description. For a comprehensive list of Spring 2019 evening exams, please consult Course Listings – Resources – Academics – Evening Exam Schedule.

STUDENT ACADEMIC INTEGRITY STATEMENT

The Council of Students of Arts & Sciences and the Faculty of the College of Arts & Sciences, believing student academic integrity and faculty responsibility to be of the highest order of importance, have agreed that the Committee on Academic Integrity shall publish each semester a statement on the nature and possible consequences of academic dishonesty. The guidelines for academic integrity can be found on the university website: <https://wustl.edu/about/compliance-policies/academic-policies/undergraduate-student-academic-integrity-policy/>

RETAKING A COURSE

Students whose performance in a course has not met their expectations are permitted to retake the course, receive a second grade, and have the symbol R, denoting the retake, placed next to the grade for the first enrollment. All registrations will show on the transcript; however, only the grade and units of the second enrollment will be used to calculate the GPA. Please note: This option is not pedagogically sound and should be avoided in all but the most serious cases, such as a grade of D in a course required for the major.

Regulations: While courses initially taken credit/no credit (pass/fail) may be retaken for a letter grade, courses initially taken for a letter grade must be retaken for a letter grade. No student may use the retake option to replace a failing course grade received as a sanction for violation of the Academic Integrity Policy.

INCOMPLETE COURSES

Students who, following the last day for withdrawal from courses, experience a medical or personal problem that makes satisfactory completion of coursework difficult or unlikely may request a grade of Incomplete (I) from one or more instructors. Students in such a situation should visit the instructor after class or in office hours, before the final examination or due date for the final paper, to discuss the request, and if the instructor consents, to agree on the work remaining to complete the course.

Failure to submit completed required work by the last day of classes the subsequent semester will result in the I grade automatically changing to an F grade. For spring semester courses, this will be the last day of summer classes, typically mid-August.

DEGREE REQUIREMENTS

For details about the requirements for earning the Bachelor of Arts degree, please visit <http://bulletin.wustl.edu/undergrad/artsci/requirements/>

How To Read Course Listings

Please note that a course's specific attribute(s) for Arts & Sciences are designated as part of the listing. For example:

L07 Chem 111A is designated:
A&S IQ: NSM, AN

These abbreviations indicate that for Arts & Sciences students, this course, L07 111A, counts toward the Natural Sciences and Mathematics (NSM) area and fulfills the Applied Numeracy (AN) requirement.

To explore integrated inquiries (IQ Curriculum) for each area, go to <https://acadinfo.wustl.edu/CourseListings> and click on A&S IQ.

Classroom Assignments and Scheduling

Most students should receive a schedule confirmation email identifying locations of classes shortly before the start of the semester. Building and room information will also be available online at courses.wustl.edu beginning at least one month before the start of classes.
