* Zone 1 parking is currently unavailable due to construction at the east end of the Danforth Campus. The new Zone 1 parking facility is expected to open May of 2019.

** Eligibility:
 – Must be full-time benefits-eligible faculty or staff
 – Earn less than \$45,000 per year.

- *** Motorcycle permits will be stickers. Motorcycle parking is available in surface lots within each zone.
- **** Department vehicles must be a WashU vehicle registered through property insurance.
- ***** Vendors will have two permit options – an annual red permit allowing them to park in any zone or an Official Business Red. For vendors, the Official Business Red permit does not have to be coupled with another permit. The permit will be marked so it is clear it is a Vendor Official Business permit.
- ***** Tenant permits will be issued to retail merchants and Basic Services Contractor vehicles needing permits (WFF, Focal Pointe, etc.). For some, costs are included in old lease terms.
- ***** All Bearly Drivers carpool participants must pay by payroll deduction
- ***** Full-time employees purchasing Levels 3 or 4 can pay by payroll deduction. Participants purchasing Levels 1 or 2 will have one opportunity to upgrade with a \$15 permit reissue fee. The upgrade cannot exceed the 48 full-day parking hours per year.
