

St. Louis BRAIN BEE

WHAT IS THE BRAIN BEE?

A Neuroscience competition for those in grades 9-12, the Brain Bee allows students to read through cutting edge science materials.

WHEN: FEBRUARY 16, 2019,
1-5 PM

WHERE: WASHINGTON
UNIVERSITY, DANFORTH
CAMPUS

Register at biology4.wustl.edu/SLABB
by February 15th, 2019

WHY PARTICIPATE?

If you win the Brain Bee, you'll be awarded a summer research fellowship at Washington University, along with an all-expenses paid trip to Washington, D.C. to participate in the National Brain Bee.

How should I prepare?

The Brain Bee competition questions will be based off a Neuroscience handbook found at brainfacts.org/book

Tutorial days will also be held on **January 26th, February 2nd, February 9th** at Washington University Medical Campus.

These tutorial days are highly recommended!
