~We learned all about BIRDS! Birds are amazing creatures. They have feathers and wings, lay eggs, and can often fly. We painted red cardinals and ducks, made nests, and glued feathers on roosters. We loved singing and dancing to the "Chicken Dance!"
FIVE SENSES
The Teddy Bear enjoyed thinking about their five senses this week!
~ We use our eyes to see.
~ We use our ears to hear.
~ We use our nose to smell.
~ We use mouth to taste.
~ We use our hands to touch.

This week we will be thinking about what we are thankful for and looking forward to Thanksgiving.

Lots of Love, Chona & Katie
