This past week we talked about ponds! We painted a beautiful lily pond! Each day we added animals to the pond, such as frogs, dragonflies, turtles, and snakes. Our fine motor skills are really growing as we color, glue, paint, draw, and cut. Some favorite songs were: "5 Little Ducks" and "The Little Green Frog." What a fun week!
This week's theme is "Night Time." More Teddy Bear photos can be found on: https://sites.wustl.edu/nurseryschool/teddy-bear-photos/

Lots of Love, Chona & Katie
