Wednesday marked our 100th day of school!!! We had a great celebration which included a class hunt for 100 hidden pennies in the classroom. The Sun Bears wore their 100th day crowns which had 100 stickers attached and showed off their collections of 100 items. This past week we worked on writing numbers and counting by 2's, 5's, and 10's to get to 100.
