HAPPY HALLOWEEN!

Thank you Sun Bear families for making our Halloween parade so much fun! We had a wonderful week singing Halloween songs and reading spooky stories. Ask your Sun Bear about the story of "the little orange house" and the orange piece of paper. At the art table, we used white puffy paint to create ghosts. With push pins and rubber bands we turned a real pumpkin into a "geo-pumpkin." We decorated a large paper pumpkin with Halloween stampers. It was great week!
