What a fun week we had talking about Lunar New Year, also known as Chinese New Year or Spring Festival in China! 2022 is the year of the tiger. We learned about the traditions and stories of the Lunar New Year. We painted a dragon head in shades of red and yellow. We glued stripes on tigers and colored the 12 animals from the Chinese zodiac calendar. On our snowy days, we enjoyed adding water color to a giant tub of snow and baking cookies.
