

Curriculum Vita
Douglas W. Rogers, Ed.D.
Associate Professor of Curriculum and Instruction
School of Education, Baylor University

Education

- Ed.D. East Texas State University, 1987 (Texas A&M-Commerce)
major: Educational Media and Technology
minors: Computer Science, Library/Information Science
- M.L.S. East Texas State University, 1982
major: Library/Information Science
minor: Educational Media and Technology
- B.S. Baylor University, 1978 (*Magna Cum Laude*)
major: Secondary Education
teaching fields: Speech, English

Professional Experience

- 8/90/-present *Associate Professor of Curriculum and Instruction*, Baylor University
member of the University graduate faculty; teach graduate technology-related courses; member of the middle level certificate team; teach undergraduate technology-related, social issues, and other courses (see list of courses following)
- 8/04-5/16: *Associate Dean for Undergraduate Programs, Student and Information Services*, School of Education, Baylor University
administrative appointment: supervised 12 staff members; primary responsibilities included day-to-day operations of the SOE, supervision of SOE advising, learning resources, certification, instructional technology support, administrative technology support, public relations/marketing; school-wide supervision for national and state accreditation processes; managed school-wide events related to scholarship donors and recipients, student recruitment, alumni relations, external advisory council, faculty retreats; maintained SOE policy documentation; moderated professional education faculty and professional education executive council meetings; coordinated all undergraduate inter-departmental issues among four departments (Curriculum & Instruction, Educational Leadership, Educational Psychology, Health Human Performance and Recreation)
- 6/06-7/07: *Interim Dean*, School of Education, Baylor University
administrative appointment: oversight of all SOE operations-- including budgets, personnel requests and hiring, faculty evaluations, submissions for promotion/tenure; supervised two associate deans, four department chairs, sixty-plus faculty; served on the Council of Deans within the Provost's office; supervised additional three

- additional staff members (assistant to the dean, director of development, and budget/grants office manager)
- 9/94-9/02: *Director, Center for Educational Technology, Associate Professor of Curriculum and Instruction and Educational Administration, Baylor University*
joint administrative/faculty appointment in two departments (Curriculum & Instruction, Educational Administration); taught graduate technology-related courses (see list of courses following); supervised one staff member (director of technology services); responsible for instructional technology support to SOE faculty/staff
- 8/90-8/94: *Director, Center for Educational Technology, Associate Professor of Curriculum and Instruction, Baylor University*
joint administrative/faculty appointment in one department (Curriculum & Instruction); taught graduate technology-related courses (see list of courses following); responsible for instructional technology support to SOE faculty/staff
- 8/87-7/90: *Director, Center for Educational Technology, Assistant Professor of Curriculum and Instruction, Baylor University*
(see above)
- 8/84-8/87: *Director of Learning Resource Services, Assistant Professor, Wayland Baptist University*
administrative appointment: supervised three staff members; primary responsibilities included oversight of all library/microcomputer resources on campus; provide leadership to campus development staff in raising funds to construct new facility; coordinate design and implementation plan for new facility
- 8/83-8/84: *Assistant Instructor, Instructional Systems Laboratory, Department of Computer Science, East Texas State University*
part-time position: supervised undergraduate microcomputer facility
- 9/82-7/83: *Assistant Instructor, Library/Information Science, Department of Educational Media and Technology, East Texas State University*
taught introductory undergraduate library science courses
- 6/81-8/82: *Graduate Assistant, Instructional Television, Department of Educational Media and Technology, East Texas State University*
taught introductory graduate instructional television courses
- 8/80-5/81: *Speech and Drama Teacher, W.W. Jackson Middle School, San Antonio, TX*
full-time teaching position: six sections of speech/drama; one section as student council sponsor
- 9/78-5/80: *English and Speech Teacher, E.M. Pease Middle School, San Antonio, TX*
full-time teaching position: two sections of speech; five sections of co-teaching with special education teacher, grade-level instruction for students with special needs (pilot program)

Graduate and Undergraduate Teaching

Courses Taught (Graduate)

EDA 5380	Leadership and Technology (Baylor, 3 hrs.)
EDA 6380	Technology and Educational Administration (Baylor, 3 hrs.)
EDA 6390	Seminar in Educational Technology (Baylor, 3 hrs.)
EDA 6V99	Dissertation (Educational Administration, Baylor, variable)
EDC 5301	Instructional Technology: Design, Production & Utilization (Baylor, 3 hrs.)
EDC 5303	Models of Teaching (Baylor, 3 hrs.)
EDC 5321	Contemporary Curriculum Design (Baylor, 3 hrs.)
EDC 5342	Data Analysis and Instructional Design (Baylor, 3 hrs.)
EDC 5348	Issues in Curriculum Development (Baylor, 3 hrs.)
EDC 5370	Technology Fundamentals (Baylor, 3 hrs.)
EDC 5372	The Instructor and Technology (Baylor, 3 hrs.)
EDC 5374	Curriculum and Technology (Baylor, 3 hrs.)
EDC 5375	Courseware Development (Baylor, 3 hrs.)
EDC 5376	Multimedia Development (Baylor, 3 hrs.)
EDC 5377	Practicum in Educational Technology (Baylor, 3 hrs.)
EDC 6372	Teaching and Learning in Online Environments (Baylor, 3 hrs.)
EDC 6374	Technology as Curriculum (Baylor, 3 hrs.)
EDC 5V95	Special Problems in Education (Baylor, variable)
EDC 6V99	Dissertation (Curriculum and Instruction, Baylor, variable)
EDP 5336	Data Processing and Computers in Education (Baylor, 3 hrs.)
ETEC 581	Television in Education (East Texas State, 3 hrs.)

Graduate Thesis and Dissertations Chaired (listed alphabetically by candidate)

- Burkhart, Nancy. *Perceptions of the Use of E-Mail to Facilitate Communications in a Large Urban School District*. Dissertation, Baylor University, December, 1996.
- Dowden, Rebecca S. *College Freshman Composition and Rhetoric I via the Internet: A Case Study*. Dissertation, Baylor University, May, 1996.
- Hardrick, Jaffus. *Perceptions of Human Resources Administrators in Private Colleges and Universities in the Big XII Conference States Regarding Factors Influencing the Use of Information Technology*. Dissertation, Baylor University, August, 2002.
- Hendricks, Gary. *An Analysis of Student Graduation Trends in Texas State Technical Colleges Utilizing Data Mining and Other Statistical Techniques*. Dissertation, Baylor University, May, 2000.
- Henry, Clifton. *Career Paths to the Presidency of Private Black Colleges in Texas, as Perceived by Present and Past Occupants of the Office*. Dissertation, Baylor University, December 2006.
- Hill, Curtis. *An Historical Perspective on Choosing the First African American President in the Dallas County Community College District: A Case Study*. Dissertation, Baylor University, August, 2000.
- Largman, Andrea M. C. *Principles for the Design of Instructional Hypermedia for Constructivist Settings*. Thesis, Baylor University, May, 1996.

- Maness, James D. *Recommended Computer Competencies for Educators*. Dissertation, Baylor University, May, 1992.
- Mason, C. Allen. *An Examination of Two Instructional Delivery Formats in Community College Development Studies*. Dissertation, Baylor University, May, 1996.
- Meira, Adeline Torres. *Rethinking the Dissertation: A Case Study of the Acceptance of New Media Projects as Ed.D. Capstone Experiences*. Dissertation, Baylor University, December, 2014.
- Parker, Mary Jo. *The Effects of a Shared, Intranet Science Learning Environment on the Academic Behaviors of Problem-Solving and Metacognitive Reflection*. Dissertation, Baylor University, December, 1998.
- Rohrer, Katherine. *The Explicitness of Faith Development Curriculum for Adolescents in Private Christian Schools*. Dissertation, Baylor University, May, 2000.
- Sheridan, Dirk. *An Analysis of the Impact of Alternative Placement on Students Challenged by Academic, Attendance, and Behavior Conditions as Recorded in the National Education Longitudinal Study of 1988*. Dissertation, Baylor University, August, 2001.
- Stuhlman, Anne. *The Effect of Curriculum Management Audit Intervention on Student Achievement Gains*. Dissertation, Baylor University, August, 2000.
- Stewart, Jean. *Asynchronous Learning Network: An Environment for Professional Development*. Dissertation, Baylor University, May, 1999.
- Trimble, Shannon. *A Case Study of the Teacher Education Faculty's Perception of the eFolio Program at a Private Central Texas University*. Dissertation, Baylor University, December, 2006.
- Ware, Allen Reeves. *Sentient Puppets and the Moral Imagination: a Descriptive Study of the Integration of Story with Puppetry Arts on Film via an Original Production Pilot Episode Featuring Phyzzelestaff the Dragon as Moral Instruction to Second through Fifth Grade Children*. Dissertation, Baylor University, December, 2013.
- Williams, Gregory D. *An Examination of Computer Aided Instruction, the Self-Concept and Achievement Levels of Developmental Mathematics Community College Students*. Dissertation, Baylor University, May, 1996.

Courses Taught (Undergraduate)

LDS 1301	Introduction to Leadership (Baylor, 3 hrs.)
LDS 3301	Peer Leadership (Baylor, 3 hrs.)
LDS 3V01	Leadership in a Technological Society (Baylor, variable)
EDC 4380	Instructional Technology and the Learning Resources Ctr. (Baylor, 3 hrs.)
TED 2380	Western Educational Thought (Baylor, 3 hrs.)
TED 2381	American Educational Thought (Baylor, 3 hrs.)
TED 3370	Data Analysis and Instruction (Baylor, 3 hrs.)
TED 3380	Social Issues in Education (Baylor, 3 hrs.)

TED 3640	Teaching Associate in the Secondary School, Part I (Baylor, 6 hrs.)
TED 3641	Teaching Associate in the Secondary School, Part II (Baylor, 6 hrs.)
TED 4640	Internship in the Secondary School, Part I (Baylor, 6 hrs.)
TED 4641	Internship in the Secondary School, Part II (Baylor, 6 hrs.)
TED 4642	Internship in the Secondary School, Part III (Baylor, 6 hrs.)
TED 4643	Internship in the Secondary School, Part IV (Baylor, 6 hrs.)
FAS 1118	Hispanic Families in Transition: Literacy, Education, and Poverty (Baylor, 1 hr.)
FAS 1128	Hispanic Families in Transition: Literacy, Education, and Poverty (Baylor, 1 hr.)
FAS 1138	Hispanic Families in Transition: Literacy, Education, and Poverty (Baylor, 1 hr.)
BUAD 3311	Microcomputer Applications in Business (Wayland Baptist, 3 hrs.)
CBIS 3301	Data Processing Concepts (Wayland Baptist, 3 hrs.)
LIS 211	Library Use in Undergraduate Study (East Texas State, 3 hrs.)

“Tracking Student Interactions.” With Dr. Jim Wiley, Baylor University Scholar’s Day, February 2001.

“Help Me Make My First Web Page” and “Help Me Make My First PowerPoint Presentation” Community College Faculty Conference, Baylor University, Waco. October 1998; Texas Association of Baptist Schools Convention, Baylor University, Waco, March, 1999.

- “Baylor Institute for Technology in Education (BITE/BITE II/BITE III).” with Michelle Toon. (2 two week, full day faculty development programs) Department of Curriculum and Instruction, School of Education, Baylor University, May and July, 1992; 1995.
- “Technology in Instruction.” First Annual Community College Faculty Conference, Baylor University, Waco, October 1994.
- “Technology-Based Instruction.” McLennan Community College, August 1994
- “Children and Television.” (panel presentation), Viking Hills Elementary School PTA, January, 1994.
- “Project ABCD End User Training.”(one-day, hands-on computer training) Marshal, Richardson, Waco, Houston, Midland, Summer 1992.
- “Computers for Teachers.” (40 hour staff development program) for Killeen Independent School District, Summer 1992.
- “Extended Staff Development.” with ESC Region XII and the McLennan County Educational Cooperative, (six full day workshops for classroom teachers) September-December 1991.
- “Teaching with Technology.” Summer Teaching Institute, Baylor University, June 1991; June 1992.
- “Faculty Focus: Technology.” (3 presentations and hands-on training experiences) Department of Curriculum and Instruction, School of Education, Baylor University, Waco, April and May 1991.
- “MacWEST Project, The.” Fourth Annual Integrated Learning Systems Research, Evaluation, and Implementation Conference, Waco, May 1991.
- “Surviving the Technology Storm.” (*Keynote Address*) Texas Computer Educators Association. Area VI Spring Conference. April 1991 (*repeated for ESC XII, May, 1991*)
- “Video Discs and Instruction.” Baylor Faculty Development, November 1990.
- “Understanding Your Computer.” Faculty Focus, November 1990.
- “Instructional Technology.” Family Practice Faculty Development Center, Waco, October 1990.
- “Using the Microcomputer for Ministry.” WMU Texas Leadership Conference, September 1990.
- “Using the Mac to Create Effective Visuals.” Department of Educational Psychology, March 1990.
- “Teachers and Computers.” Advanced Academic Training (AAT workshop) conducted in cooperation with Baylor University and Region XII Educational Service Center. (30 contact hours, five six-hour sessions). June 1989, 1988.

Grants

Baylor Coordinator, *Project Integrate Texas (PITX)*. Collaborative TARGET grant with Apple, Inc., Region 12 Service Center, and local school districts, 2003-2005. (in-kind services donated to School of Education equivalent to \$21,600 during 1st year funding)

Baylor Director (local principal investigator), *KITE Project: Knowledge Development for the Technology Integration Community*. Collaborative grant with Big XII universities, U.S. Department of Education (PT3 program), 2001-2004. (\$140,232 funded over three years)

- Documenting teacher efforts to integrate technology and instruction
- Development of case-based reasoning library that is web-accessible

Co-director, *C³ (C-cubed): Content, Collaboration, and Connectivity*. with Dr. Trena Wilkerson, Texas Infrastructure Fund Board, TIFB, Discovery-4, 2000-02. (\$850,000 funded over 2 years; additional work extended for third year by matching funds from BU/Waco ISD, \$10,000).

- Implementation of multiple videoconference platforms (fixed, mobile, personal wireless)
- Support teacher professional development (focused on math teachers)
- Enhance the development mathematics teacher candidates

Co-director, *Mobile Instruction*. with Tim Logan and Shannon Edwards, Texas Infrastructure Fund Board, TIFB, Higher Education 3, 2001-02, (\$54,650 funded)

- Install wireless mobile computer labs for teacher prep program
- Install hand-held mobile computing lab for teacher prep program

Baylor Director, *McLuhan Project*, The. submitted by Region 12 Educational Service Center and Waco ISD to the Challenge Grant for Technology in Education program of the Interagency Technology Task Force of the U.S. Department of Education, 1998. (funding requested: \$10 million over 5 years)

Co-director, *Simultaneous Renewal*. submitted by Killeen ISD to the Challenge Grant for Technology in Education program of the Interagency Technology Task Force of the U.S. Department of Education, 1995. (funding requested: \$15 million over 5 years)

Co-director, *The MacWEST Project*,. with West ISD and Region 12 Educational Service Center. Texas Education Agency, 1990. (\$80,000 funded)

- Study of "peer review" process using writing lab with high school students and preservice teacher candidates

Creative Contributions

Modifications to Waco ISD Professional Development online registration and transcript program. January 2003

"Attendance/Dialogue Tracking." with Dr. Jim Wiley. computer program to collect data on student absences and the type/quality of student interactions during classroom discussions. 2000/01.

- “Group Advising Appointments.” (database/website) for Certification/Advising Office, School of Education, Baylor University, February, 2001.
- “Weekday Early Education Conference Registration and Enrollment.” (computer program) with Phylcia Hernandez/Donna Adams. Center for Christian Education, Baylor University. (July 1991-present).
- “University for Young People Registration and Enrollment.” (computer program) with Mrs. Linda Cox. School of Education, Baylor University. 1988-1999. program completes assessment of qualifications, tracks registration, and class enrollment; generates all financial reports required
- “South Central Region of Holmes Group Homepage.” Created and demonstrated homepage for South Central Region of the Holmes Group, November, 1995.
