Greetings from the Student Housing Office:

We are planning early arrival for students who have a residence hall contract on file for the Autumn Semester, 2014. The information below will assist you in planning your arrival to campus.

The residence halls do not officially open for occupancy until Saturday, August 23, but you may check in at your permanently assigned residence hall as early as August 6 after 12:00 noon. The charge for early arrival check in is \$25.00 per day. Only students with residence hall contracts on file are eligible for early check in.

The dining plan that you selected with your housing contract will be effective the morning of Thursday, August 21 at 8:00 a.m.

To make arrangements for early arrival you may pay on line through the Early Arrival website: <http://urds.osu.edu/secure/reservations>. This website will be available to you starting Monday, July 15, and it will calculate the total payment due based on the date you enter as your check-in date. You will receive confirmation of your payment when you register on line and we will inform the residence hall staff of your arrival date. You can also call the Housing Office and make arrangements through the office (614) 292-8266.

PLEASE NOTE: Students checking in for band try-out must have a residence hall contract on file for the Autumn Semester.

If you have questions regarding the early arrival process, please call the housing office 614-292-8266.

Sincerely,

Dolorise Bray
