

**CFAES**

## Wildlife: Guest or Pest Part 3

**September 17, 2020 6:30–7:30 p.m.**

The wildlife in your backyard can be a welcome sight for some or a landscape nightmare for others. Join the OSU Extension Greene County Master Gardeners Volunteers for a look at some of the visitors that make you wonder, who's backyard is it anyhow!

***Dealing with unwanted guest. Coping With Canada Geese*** Canada goose populations in communities and urban areas can cause conflict and damage. Learn strategies and management options to cope with Canada geese in this webinar. Marne Titchenell Wildlife Program Specialist, with OSU Extension. She works to provide a variety of educational programs, workshops, conferences, and publications centered on wildlife ecology and biology, habitat management for wildlife, and managing nuisance wildlife species.
