FARMERS NEEDED!

- Do you sell your fresh fruits, vegetables, honey or herbs at Farmer’s Markets or roadside stands?
- Would you like to help senior citizens in your community while they are helping you?

The Senior Farmer’s Market Nutrition Program provides $50 in coupons to eligible seniors to purchase fresh fruits, vegetables, herbs and honey from authorized farmers. This, in turn, helps you – the farmer – increase your earnings!

If you are interested in partnering with us, all it takes is:
  - signing an agreement
  - taking one short training via webinar or conference call
  - submitting the coupons for payment.

Trainings will be scheduled soon – let us know to send you the training packet and schedule by calling 1-800-343-8112 or e-mail FarmersMarket@aaa7.org

To obtain information, including a list of items eligible to be purchased with the coupons, the Farmer’s Manual, a brochure, and other important details, visit www.aaa7.org
