

GRADUATE SCIENCE FALL OPEN HOUSE

Saturday, October 14, 2017 | 11 a.m. – 3 p.m.

PH.D. IN CHEMISTRY AND BIOCHEMISTRY

Take your science background to the next level.

- Start your graduate education with two semester-long **research experiences**
- Learn to draft scientific manuscripts, prepare fellowship proposals -- and write a **full NSF/NIH proposal**
- Collaborate on interdisciplinary projects with other Duquesne departments through our specialized **Center for Computational Sciences**

Visit duq.edu/chemistry

At Duquesne University's Bayer School of Natural and Environmental Sciences, you'll get exactly what you need to succeed in your graduate studies and career. Attend this year's **Fall Open House for graduate science programs** to:

- Speak with faculty and graduate students about their latest science research in **biomolecular, environmental, analytical, computational** and **inorganic chemistry**
- Learn about financial aid options such as **Ph.D. stipends** and **tuition waivers, graduate assistantships, fellowships** and **scholarships**
- Tour our **cutting-edge labs and facilities**, equipped with modern instrumentation
- Tour our campus and the city of Pittsburgh where we reside
