The Nuclear Engineering Science Laboratory Synthesis (NESLS) Program
at Oak Ridge National Laboratory

Spring 2019:
(Deadline: Jan. 6, 2019)

Summer 2019:
(Deadline: Feb. 28, 2019)

Highlights:
• Full-time or part-time research or technical appointments
• Stipend commensurate with academic level ($529-$935/week)
• Limited travel/housing assistance, if eligible
• Professional development activities
• Applications accepted on a semester basis
• No U.S. citizenship requirement

Candidates must:
• Be at least 18 years old
• Be enrolled in an accredited U.S. college or university in an eligible major/degree program
• Be continuing education in an accredited degree-seeking program if graduating before or during the appointment period
• Have a minimum 3.0/4.0 GPA

If you have any questions, please contact NESLS@orau.org
