

Fruit Tree Pruning and Management Workshop

Tuesday, March 15th, 2022, from 9 A.M. – 12 P.M.

Please join us for a fruit tree pruning and management workshop. Trees covered by this workshop include apple, pear, cherry and peach trees. This is a free event that will cover best management practices for pruning fruit trees, insect and disease identification and management, soil sampling and fertility management. This workshop will be led by Becky Colon, Fruit Crops Manager for OARDC Hort. Research Farms and Frank Becker, IPM Program Coordinator for OSU Extension – Wayne County.

A PARTNERSHIP BETWEEN OARDC AND OSU EXTENSION
