

Hardin County Crop Walk

Fruit & Vegetable Production

Jim Jasinski – OSU Extension Horticulturist
Dr. Celeste Welty – OSU Entomologist
OSU Graduate Students – Weeds & Diseases
Mark Badertscher – OSU Extension, Hardin County

The Hardin County Crop Walk program will consist of talks by specialists, a diagnostic table, and walk through a produce patch to learn solutions of common fruit and vegetable problems. Topics include insect pest management, controlling weeds and diseases, as well as registering bees and sensitive crops. Bring along your specimens for questions and answers along with a lawn chair for an evening designed for both commercial and home gardeners.
