Wingfield Crop Insurance is an Equal Opportunity Provider
The full program is online at: ctc.osu.edu. 
Look for changes/additions in speakers and topics. 
Corn University will feature Extension Specialists including: Tony Vyn (Purdue University); Roger Elmore, (Nebraska); and Peter Thomson (OSU), plus Greg Stewart of Maizez in Ontario.

A new session, Precision Fertility, includes: 
Bryan Arrall (Oklahoma State U) speaking on 
site specific management of N and P; Joe and 
Clint Nester (Nester Ag Management) on 
soil nitrate testing; Steve Culman (OSU) on soil 
organic matter; Jim Swartz, (360Yield Center) on Soil 
Nitrate Testing and Y-Drops for N; and Tyler 
Seligman (Farmer) on Variable Rate N strategies.

The Cover Crops and Manure session will 
start at 8:00. Speakers and topics include: 
Peggy Hall (OSU) on Legal aspects of manure 
application; Tim Harrigan (Michigan State U.) on 
Using liquid manure application with cover crop 
seeding; Kevin Elden and Matt Lane (ODA) on 
application restrictions and practices to keep 
nutrients out of Lake Erie; Glen Arnold (OSU) on In-
season manure application; and Dan Sonke of 
Campbell’s Soup on Sustainable Agriculture 
practices to improve water quality. OIst 
Extension Educators Alan Sundermeier, Jim 
Hoorman and Sarah Noggle, plus a Farmer Panel 
will also present. At least 5 hrs. of CCA credits in 
Soil & Water will be available.

Day 2 (Thursday) 
A new session, Advanced Cover Crops, which will begin 
at 8:00 with a presentation by Rafiq Islam (OSU) on 
advantages of crop diversity. Other speakers/ 
topics include: Steve Groff, Holtwood, PA, on 
present and future cover crops for improving 
water quality; Will Brinton (Woods End 
Laboratories) on N and soil carbon; Wendy Taheri 
(formerly with USDA-ARS) on Mycorrhizal 
Fungus; Greg Roth (Penn State U) on the cover 
crop inter-seeder; Barry Fisher (NRCS) on cover 
crops for corn and soybeans; and David Brandt, 
Fairfield County no-till farmer who has been 
using cover crops more than 30 years to improve 
soil and water quality. CCA credits: at least 5 hrs. in 
Soil & Water.

Soybean School features Laura Lindsey 
(OSU), Harold Watters (OSU) and other 
Extension Soybean Specialists to be named later.

The Nutrient Management session includes presentations by: Shelby Burlow (Michigan State U.); Kevin King (USDA-ARS); Ryan Haden 
(OSU-ATI); and OSU Extension Educators Ed 
Lentz, Glen Arnold, Greg LaBarge and Steve 
Prochaska. CCA credits: about 6 hrs. in Nutrient 
Management.

The Technology and Equipment session includes: Bill Lehmkuhl (Precision Agri-
Serivces) on Improving Planter Performance; 
Scott Shearer (OSU) on Concerns with increasing 
equipment size; Andrew Klopfenstein (OSU) on 
Compaction from big grain carts with tires or tracks; 
Ajay Shah (OSU) on Site specific crop 
residue removal; and presentations by 
representatives from Firestone and a rubber track 
manufacturer.

In addition to CCA credits, Certified Livestock 
Management (CLM) credits will be available.
Details will be posted in February.

Tillage and Technology Conference. Program 
updates will be posted on the website: ctc.osu.edu.

Wednesday Evening Event, March 2 
A Kick-off celebration of two water quality 
grants will be held at The Inn at ONU, 6:00-8:00 pm. 
The purpose of the event is to provide 
information to farmers and others interested in 
details of grants on Phosphorous Removal Beds 
in the Upper Blanchard and Auglaize Watersheds, 
and the Maumee River Watershed Sediment 
Reduction Project.

The two grants were received by combinations 
of The Nature Conservancy, Ohio State 
University, Hardin SWCD, Putnam SWCD, and 
USDA-ARS. A panel of landowners and agency 
reps will discuss projects included in the grants 
and desired achievements. Bring questions for 
them!

Please RSVP for the free event by February 19 
Please RSVP for the free event by February 19 
Please RSVP for the free event by February 19 
Please RSVP for the free event by February 19 to Lauren Lindemann (llindemann@tnc.org or 
260-665-9141) . A cash bar and hors d’oeuvres 
will be available.

Fertilizer Applicator Certification, 
TUESDAY March 1 
On Tuesday afternoon, 1:00-4:00 pm, the full 
3-hour training will be presented in the McIntosh 
Center at ONU. Register at: nutrienteducation.osu. 
.edu. No cost to attend. Bring your Ohio Pesticide 
Applicator License if you have one.
