

Regional **MASTER GARDENER VOLUNTEER TRAINING COURSE**

HOSTED BY THE ALLEN AND HARDIN
COUNTY MASTER GARDENER
VOLUNTEERS

Do you have an interest in gardening, want to improve your skills, and at the same time enjoy volunteering and sharing your knowledge with others? The Allen and Hardin County OSU Extension Master Gardener Volunteers will partner to host a Master Gardener Volunteer training course for new Master Gardener Volunteers this spring.

The Ohio State University Extension Master Gardener Volunteer Program provides intensive training in horticulture to interested Ohio residents who then volunteer their time assisting with educational programs and activities for Ohio residents through their local Ohio State University Extension county office. Volunteers are not required to have gardening skills or knowledge; but a passion for learning about gardening and sharing this knowledge with others is a must!

Course enrollment open to all counties with volunteer commitment to be completed in home county program.
