# Ohio Livestock Mortality

## Composting Certification Training

**Wednesday, February 20, 2019 • 7:00 PM**

Composting livestock and poultry mortality in agricultural operations is a legal option for disposal in Ohio. This required training session will certify operators to compost livestock mortality of approved species and apply the compost to fields. It is hoped this will expand operator's options for disposal and enable them to improve the efficiency and profitability of farm enterprises.

**Presenters:**

- **Glen Arnold, OSU Extension, Manure Nutrient Specialist**
- **Sam Custer, OSU Extension, Darke County**

**OSU Learning Center  
OSU Extension, Darke County  
603 Wagner Avenue  
Greenville, Ohio 45331**
