For Immediate Release – May 22, 2019

**Fertilizer Recertification Opportunity**

*Hardin County* – Do you have a fertilizer certificate that is set to expire May 31 and need a final chance to renew it before it expires? If so, there is a fertilizer recertification class scheduled in Kenton for May 30 at 7:00 pm. This one-hour evening class will meet the requirements for the Ohio Department of Agriculture. The class will be held at the Hardin County OSU Extension Office, 1021 W. Lima Street, Kenton. Please arrive early to allow time for check-in or registration and bring your Ohio ‘Fertilizer Applicator Certificate’ card.

Seating is limited, so pre-register at http://go.osu.edu/hardinmay30fertrecert or call 419-674-2297. There is a $10 class fee payable to OSU Extension that can be taken care of online or the evening of the class. Registration for this training does not include the applicator license renewal fee that is due to the Ohio Department of Agriculture. Please contact the Ohio Department of Agriculture at 614-728-6987 if you have any questions concerning your renewal/recertification status.
