

# Web-based Survey Training

Presented by the Program Development and Evaluation Unit

Debby Lewis, Ph.D. | Kim Showalter, M.Ed. | Brian Butler, MPH

Join us to learn more about web-based surveys! Members of the Program Development and Evaluation Unit will be teaching a professional development workshop in Columbus, Ohio on December 14, 2015.

Training topics:

- Web-based survey best practices
- Basic Features of LimeSurvey and Qualtrics
- Guided survey development in both LimeSurvey and Qualtrics

'Web-based survey training' will last approximately 3.5 hours. You must RSVP to the event. Please note there is limited seating for this event – so RSVP now!

Use the following link to secure a seat at this training:
