Utilizing Grants & Low Interest Loans to Achieve Your Business Objectives

Why seek grants for your business?
1. Research
2. Expansion
3. Diversification
4. Start new enterprise
5. Marketing
6. Education or community improvement

Although grants are ‘free’ money, they take time to write, plan, document and report.

Where do you start with grants?
• Identify your goals and objectives
• Identify potential collaborators
• Then identify grant programs which match your objectives

What types of grants are available?
Farm & Food Business Grants
• Ohio Department of Agriculture
• Farm Service Agency
• USDA Rural Development
• Farm Aid
• Warner Grant Fund
• USDA - SARE

General Business Grants
• City of Youngstown
• USDA Rural Development

What types of grants are available?
• US Department of Agriculture grants:
  - Value Added Producer Grants (VAPG)
  - Other USDA grant programs
  - Cost-sharing programs not typically considered grants

Most Grants are not ‘free’
• Matching
  – Proposals may look better with a matching of time and other resources
• Cost-Share
  – You will share in the expenses,
  – Ranges 10-60% most of the time
Sources of assistance with grant development

- Small Business Development Center (SBDC)
- College or university business development ctr
- Commodity groups/trade associations
- Chambers of commerce
- Ohio State University Extension Offices
- Local economic development professional
- Your brother in-law

Who is offering grants?

- **Who?** – Credible source
- **What?** – Mission of their business
- **Why?** – To support/sustain/improve?
- **When?** – Year around? Deadlines?
- **How?** – Where do they get money?

Example:

**USDA SARE Farmer and Rancher Grants**

- Sustainable Agriculture Research & Education (SARE) grants:
  - Farmer and Rancher Grant (FRG)

**USDA SARE Farmer and Rancher Grants**

- Provides funds to farmers and groups of farmers to improve sustainability of their operations
- Funds are for sustainable agriculture research and demonstration, not for everyday farming expenses or start-up
- Great examples of ‘what’ gets funded

**USDA SARE Farmer and Rancher Grants**

- Funding available:
  - Individual grant - $7,500
  - Partner grant - $15,000
  - Group grant - $22,500
  - Up to 22 month project
  - About 50 grants awarded each year

**USDA SARE Farmer and Rancher Grants**

- Who is eligible to apply?
  - Farmers
  - Groups of farmers
  - Youth
  Farmer is broadly defined
