Join Alissa Wilhelm, DVM to learn about calf vaccination program planning. Alissa will cover the vaccinations that calves should be receiving to ensure a healthy start.

Dr. Alissa Wilhelm is an Assistant Professor for the Department of Veterinary Preventive Medicine with OSU Large Animal Services.

Her professional training and experience includes:
- DVM, College of Veterinary Medicine, The Ohio State University
- MS, Comparative Veterinary Medicine, The Ohio State University
- BS, Animal Science, The Ohio State University
