Career Counseling and Support Services for Postdoctoral Scholars

The Office of Postdoctoral Affairs and Student Life Career Counseling and Support Services (CCSS) have partnered to launch a pilot program that will offer career counseling and support services to postdoctoral scholars starting July 1, 2018.

Services include, but are not limited to:

- Resumes/CVs/Cover Letters
- Interview tips/assistance
- Networking Strategies
- Career Exploration
- Job Search Strategies

- Please call 614-688-3898 to make an appointment. This process will ensure that you will see a career counselor assigned to postdoctoral scholars.

- Be sure to identify yourself as a postdoctoral researcher or scholar when making the appointment and when filling out the intake forms (even if your official title is visiting scholar, research associate, research scientist, visiting assistant professor, etc.)

- The CCSS is located in the Younkin Success Center (2nd Floor), 1640 Neil Avenue, Columbus, OH 43210

- Cancellation policy: notify the CCSS at least 24 hours in advance if you have to reschedule or cancel. Failure to do this will result in a charge of $25 per missed appointment. Two missed appointments without 24 hour notice will lead to termination of services.
