All recently hired postdoctoral scholars are invited to this special orientation program. Learn about vital resources, meet your peers, and get introduced to the most important things you’ll need to know as you pursue your postdoctoral training.

Room 134 of the Biomedical Research Tower,
460 W 12th Avenue
September 26, 2018
3:00 - 5:00 pm

- Learn how the Office of Postdoctoral Affairs and the Postdoc Association can help and support postdocs at Ohio State
- Have a chance to ask questions and meet other postdocs
- How to build and use an IDP, and how to discuss the IDP with your supervisor

Please RSVP by September 24th, at
http://go.osu.edu/Sept26
