

**STS@OSU
Workshop**

**Discussion of
“Science Teaching and Science and Technology Studies”**

**Monday October 7
12:30-2pm
386 University Hall**

Our second 2019-2020 workshop meeting will consider how to incorporate STS scholarship into our teaching. Our discussion will begin with Matthews' provocative preface to the 2014 edition of his edited volume, *Science Teaching* (second edition, Routledge, 2014).

Please contact the organizer for a PDF of the essay to be discussed, or with any other questions.

Organizer: Chris Pincock (Philosophy, pincock.1@osu.edu)
