

CLOVERBUD READING ADVENTURES

# Panda Bear, Panda Bear, What Do You See?

By Bill Martin Jr., illustrated by Eric Carle

*Panda Bear, Panda Bear, What Do You See?* is a classic read along as animals are watching over each other following similar Martin/Carle books such as *Brown Bear, Brown Bear What Do You See?* What makes this book extra special is that all of the animals are endangered, from a macaroni penguin to a black panther. What better way to let children know about these animals as these kids are the guardians of the future.

## ACTIVITIES AND CRAFTS

### Handprint Penguin

**Materials:** white felt, light blue, black & orange cardstock/construction paper, googly eyes, white pom poms, snowflake stickers

**What to do:** 1) Cut out white felt to width of paper to form snow bank (glue to blue paper) 2) Trace hands on black paper and cut out with round bottom for head of penguin 3) Decorate penguin - glue google eyes, diamond shaped orange paper folded for beak, white felt circle as belly (trace around cup) 4) Glue penguins and add snowflakes to sky.

## Endangered Animal Poster

**Materials:** poster board, markers, cut out pics from magazines (optional)

**What to do:** 1) learn about endangered animals online or at your local library 2) kids select an animal for their poster 3) make poster about the animal (why it may become extinct, where it lives, what it eats, special characteristics 4) take action – explain the poster to others, put up in a library or community center.

## GAME

### Animal Movements

**Supplies:** index cards, animal movement list (waddle like a penguin, jump like a kangaroo, run like a lion, crawl like ant, slither like a snake, scratch like a money, etc.)

**How to play:** 1) write the name of one an animal and how it moves on an index card 2) make as many cards as needed 3) every child gets to draw one card and lead the group in the actions described.

## SNACKS

### Pretzel Pops

**Ingredients:** black & orange fondant, edible eyeball candies, orange and white candy melts, pretzel rods, shredded coconut

**What to do:** 1) place the candy melts in microwave safe bowls and heat them up until melted (20 – 30 seconds), stir occasionally 2) spoon the melted candy over 2/3 of the pretzel rod (use orange candy melts for tiger, white candy melts for polar) 3) for polar bear pour coconut on a plate and roll the warm candy covered pretzel over the coconut until covered 4) stick candy eyeballs on while the melted candy is still warm 5) to make the tiger add the eyes while the candy is still warm then let cool 6) when the pretzel pops have cooled add fondant noses and mouths to the animals (use the fondant to add stripes to make tiger).
