

POLARIS

A mentorship class for freshman and sophomore undergraduates with a focus on inclusivity and diversity in STEM

Join us for a weekly seminar on Mondays 1:50-2:45 pm involving group discussion and one-on-one mentoring

Get paired with a senior student who can give personal advice on classes, research, and your career

To join or for details, e-mail us at osupolaris@gmail.com with your name and major.

If possible, you can register for Polaris as a one credit S/U course!
