Buckeye Institution Supported Agriculture (ISA)

**What?** The Ohio State University is partnering with community organizations in Weinland Park in Columbus to empower families to grow food in their own neighborhoods.

**Who?** To be a “Buckeye ISA” participant family, you must have at least one child 8 years old or younger living in the household.

**Why?** The project aims to cultivate a network of new or existing urban farmers to produce food for their households or for sale to the University.
