OHIO STATE UNIVERSITY EXTENSION

2019 Henry County Beef School

MONDAYS, MAR. 25, APR. 1, 8, 15, 2019 | 6:30-8:00 P.M.

Over the past few years cattle prices have softened, especially for fed cattle and cull cows. The decreases in prices can be attributed to multiple factors, including an increase in cattle numbers. This four part program will focus on improving efficiency, profitability, and marketability of producer's beef cattle enterprise.
