

Asian World Powers Unit

TIP #1 Korea

Purpose: By allowing students to investigate through research targeted East Asian countries, students will learn the country's geography, history, military conflicts, and how their governments and economies influence the global market.

Grade Level: 6th Grade

Length of Project: Approximately 4-6 weeks (depending on period length). This could be shortened if done as an integrated unit with a Language Arts class where students have two class periods per day to work. Students could do this project individually or could be placed in groups. If placed in groups, length of time could be shortened to 2-3 weeks. Group students should each complete the group evaluation form.

Topics: History, government, economics, and research.

Materials:

- Our World. New York: Macmillan McGraw-Hill Publishing, 2005. Textbook used by Licking Heights Local Schools
- Internet access
- Grade appropriate library books on Korea
- World Almanacs
- Tri-fold poster board
- White construction paper
- Colored construction paper

Procedures:

Students will be completing a research project and presentation on Korea that includes the following criteria:

Map

Use 12" x 18" white construction paper (will be provided) and cover entire space.

- Identify and outline country, indicating bordering countries or bodies of water.
- Indicate chief products and natural resources with symbols.
- Identify major geographical features (mountains, lakes, rivers, etc.)
- Identify any major cities, using a star for the capital.
- Create a legend.
- Draw a compass rose.

Size of country/population/continent/geography- Give facts about the size of Korea, what its population is today, what continent it is on, and the important features of its geography.

Currency display - Research the currency used in your country. What is it called? What is the exchange rate with the U.S. Dollar? What does it look like? Make a display with this information. Include a short description of what you have learned.

Government – Identify North Korea's and South Korea's type of government. Who is the current leader? How long have they been in office? What are the different branches of government called? Who are their allies? Their enemies? What political organizations do they belong to?

Timeline - Make a timeline of important events in the past 100 years.

Military conflicts – Write a brief explanation of the Korean War and its effect on the country of Korea. Be sure and discuss the DMZ today.

Economics- What products do the Koreans export? What products are imported? What countries do they trade with? What is their economic ranking in the world? Have a picture of a Korean product as well as an American product offered to the Korean public.

Education – Tell something about the education system of Korea. What is the 6-3-3-4 ladder pattern of school? How many years must students go to school? What subjects do students take? Why is ESL (English as a second language) so important?

Language- Research the language(s) spoken in Korea. Have a list of words / picture of the writing systems (if different from ours) and a short description of what you learned about the language.

Completed 3-sided poster board project will, at a minimum:

- ✓ Include large, attractive name of country
 - ✓ Include 8 displays of information
 - ✓ Include map of country as required
 - ✓ Have excellent visual appeal – pictures should be included
 - ✓ Be organized
 - ✓ Show quality of effort
- If posters are too hard to accommodate in the classroom, this project could also be completed as a student published book, with one topic of information per page. The map could be used as the cover of the book.

Bibliography-

Students will be required to document the resources used in this project (books, websites, and articles). A page to keep track of this information will be provided. Students will be required to include a type written page with the information at the end of their book. Information will be provided on how to type the information in correct form.

Oral presentation – This is a 4-5 minutes presentation about Korea. The student should include all the interesting information they have found out about Korea and try to convince the audience on why they would want to visit their or even invest in the country.

Assessment: Teacher will assess project with rubric for Asian World Powers Unit. If project was completed as a group, students can assess group members with Group Evaluation Form.

Grade Adaptation: This project can be upgraded by making the information collected more in depth.
