**Standard(s):**

Feudalism and Transitions

#4. Mongol influence led to unified states in China and Korea, but the Mongol failure to conquer Japan allowed a feudal system to persist.

#8. Empires in Asia grew as commercial and cultural centers along trade routes.

Geography

Spatial Thinking Skills

#12. Maps and other geographic representations can be used to trace the development of human settlement over time.

Human Systems

#13. Geographic factors promote or impede the movement of people, products, and ideas.

#14. Trade routes connecting Africa, Europe, and Asia fostered the spread of technology and major world religions.

#15. Improvements in transportation, communication and technology have facilitated cultural diffusion among peoples around the world.

Government

Civic Participation

#16. The ability to understand individual and group perspectives is essential to analyzing historic and contemporary issues.

Roles and Systems of Government

#18 With the decline of feudalism, consolidation of power resulted.

Economics

Economic Decision Making and Skills

#19. Individuals, governments and businesses must analyze costs and benefits when making economic decisions. A cost-benefit analysis consists of determining the potential costs and benefits of an action and then balancing the costs against the benefits.

Japanese Feudal triangle

Graphic organizer comparing and contrasting

Noh video
Scarcity

#20. The variability in the distribution of productive resources in the various regions of the world contributed to specialization, trade and interdependence

Markets

#21. The growth of cities and empires fostered the growth of markets. Market exchanges encouraged specialization and the transition from barter to monetary economies

Strategies:

ISD-Identify similarities and differences; S&N –Summarizing and notetaking; RE&PR- Reinforcing effort and providing recognition; HW&P – Homework and practice; CL – Cooperative learning; C, Q, AO – Cues, questioning, and advanced organizers; NLR – Nonlinguistic representations

Objectives:

Day 1 and 2

1. Students will be able to identify the advantages and disadvantages of the regents ruling Japan
2. Students will be able to describe what happened after emperor made Yoritomo a shogun
3. Students will be able to infer why the Japanese named typhoons after divine spirits
4. Students will be able to analyze the reasons why wealth collected at the top of the Japanese society

Day 3 and 4

5. Students will be able to describe the philosophy of the Samurai warriors
6. Students will be able to connect the warrior society in Japan with the loss of freedom among upper class women

Day 5 and 6

7. Students will be able to create a graphic organizer that compares and contrasts Shinto, Mahayana Buddhism, and Zen Buddhism

Day 7 and 8

8. Students will be able to hypothesize the problems with a pictographic writing system
9. Students will be able to research plays, stories, and poems
from the Shogun period

Activities:

I-individual; P-partners; CL-cooperative language groups; WG-whole group

Day 1 and 2

1. Students will take notes
2. Students will complete a graphic organizer showing the social structure of feudal Japan

Day 3 and 4

3. Students will watch a video on samurai warriors
4. Students will look at primary documents from “Hagakure” translated by Alexander Bennett
5. Students will complete a graphic organizer showing the relationship between the daimyo and samurai
6. Students will write a short essay explaining the relationships of the samurai and the shogun

Day 5 and 6

7. Students will be able to write an essay comparing and contrasting the three philosophical ways of thinking

Day 7 and 8

8. Read about the life of Japanese writer Murasaki Shikibu
9. Read part of and discuss “The Tale of Genji”
10. Identify what “Noh” plays are and how they developed
11. Students will write a haiku

HOT:

Day 1 and 2

1. Why did military leaders rise to power in Japan?
2. What were the advantages and disadvantages of regents ruling in Japan?
3. Why did the emperor make Yoritomo a Shogun?
4. Why did the Japanese name the typhoon winds after divine spirits?
5. Why did feudalism develop in Japan?
