A night to shine in the show ring is to give our special needs youth in the county the experience of showing a livestock animal in the ring at the fair. Mentors will meet with their special needs partner on August 13 from 6 – 7:30 at the OSU Extension Office for ice breaker games, meet your partner, what to wear and to schedule a farm visit.

Farm visits are to be scheduled between August 8-August 29th for your special needs partner to meet your animal and learn how to show. Mentors and their partners will show the animal during our Night to Shine in the Show Ring on Monday, September 6th at 5pm in the Multi-Purpose Barn.
