## INDEX

### A

Abnormal psychology, as approach to intimate violence (*see* Intimate violence)

Aboriginal relationships, 207

Alfred Angelo, working conditions, 153

Alienation, 255

Allport, Gordon, 3

American Psychological Association

    analysis of atomic warfare on international relations, 3

    Division of Peace Psychology, 1

Amin, Idi, 80

Amnesty International, 165

Angola, 262

    children, impact of Angolan war on, 265–267, 270, 271, 272

    community members, selecting/training for healing, 270

cycles of violence, recurring, 263

Exposure and Impact Scales, 265

landmines, 265

libertion, 264–265

multi-province program for addressing war stresses, 268–269

overview, 264–265

Post Traumatic Stress Disorder in Angolan children, 267

psychosocial intervention (*see* Psychosocial intervention)

situational analysis, 269–270

soldiers, underage, reintegration of, 272–274

spirituality in culture, 268

war, 264

Annan, Kofi, 341

Anti-Ballistic Missile Treaty, 92

Anti-Semitism, 146

APA (*see* American Psychological Association)

Apartheid, 84, 252, 300 (*see also* South Africa)

authoritarian personality, relationship between, 301

boycotts, 153

direct violence, 306

dismantling, 301–305

Aquino, Corazon, 283, 291

Argentina

children, removal from families, 163

“dirty war,” the, 162–164

disappearances in, 79

Grandmothers of the Plaza de Mayo, 163–164

military juntas, 162

paramilitary organizations, 80

Armenians, genocide against, in Turkey, 77–78

Asian Conflict Resolution Conference, 206

Asian-Pacific conflict management, 186–188

Authoritarianism, 282

Authoritarian personality

anti-gay/lesbian violence, as factor in, 32

definition, new, 46

as factor in Northern Ireland (*see* Northern Ireland, conflict in)

in intergroup conflict, 46

upbringing, influence on developing, 40

Authoritarian/totalitarian societies, genocide in, 78–79 (*see also* Genocide)

Authority, obedience to, 78

## **B**

Battered Women's Syndrome, 23

Between-Persons Cultural Grid, 189–191

Biological weapons (*see* Weapons of mass destruction)

Black Consciousness Movement, 301

Borneo Project, 156

Bosnia, 61

aggressor/victim roles, 242

betrayals, war-time, 240

controversy, 179

ethnic cleansing, 243

ethno-political trauma, 241

home loss, 244

indirect repression, 243

lives, lost, 244–245

missing persons, 245

mixed marriages, 244

narrative, 241–242

paramilitary organizations, 80

population fleeing, 244

Post Traumatic Stress Disorder, 245

psycho-social assistance, 245, 247, 248–250

rebuilding, 84

religion, as factor in problems, 243

trauma, methods for reducing, 246–247

trust, loss of, in communities, 244

Boutros-Ghali, Boutros, 174

## C

Cambodia, 79, 130

Cantril, Hadley, 3

Chemical weapons (*see* Weapons of mass destruction)

Children and violence, global (*see also* Children and violence, U.S.; Peace perspectives, children's)

Angolan crisis (*see* Angola)

in developed nations, 122–124

ideal vs. actual experiences, 120

mediated learning, effect on, 123–125

overview, 120

peace perspectives of children (*see* Peace perspectives, children's)

Post Traumatic Stress Disorder, 267

poverty, 120–121, 122

preventable causes of death, 121

psychosocial costs, 122

Children and violence, in U.S. (*see also* Children and violence, global)

acute vs. chronic, 114

cumulative effects, 114

gangs (*see* Gangs)

impact of, 114–116

intervention/prevention, 116–118

mediating effects, 113–114

overview of problem, 110–111

as perpetrators, 111

risk factors, 111–113

twenty-first century trends, 116

as victims, 111

Chile, testimony, role of, 260

China, 152

Christian Children's Fund, 263, 269, 270, 272

Civil Rights Movement, 321

Civil rights protections, for lesbians/gays, 31

Civil War, (American), 66

- casualties, 68
- integrative complexity levels (*see* Integrative complexity)
- political factions, 68
- slavery issue, 68

Clinical psychology, 2

Cold War

- ad hoc responses by United Nations, 173
- end of, 173–174
- integrative complexity during (*see* Integrative complexity) military spending during, 93–94
- “security dilemma” stage, 5
- social systems, relationship between, 88

Soviet Union collapse, 1

weapons of mass destructions (*see* Weapons of mass destruction)

Collective violence (*see* Group violence)

Collectivistic cultures, 184–185

Colombia, kidnappings in, 70

Comprehensive Test Ban, 92

Conflict

A, B, and C mistakes, 211–212

definition, 194

overview of elements of, 210–212

roots of, 210

social context, 194

transformation culture, moving towards, 220–221

Conflict resolution, 6

active listening, 198, 200

age-appropriate training, 238–239

analysis of own needs, 200

best alternatives to a negotiated agreement (BATNAs), 201–202

brainstorming, 200

cooperative orientation, 198

creative problem-solving model, 203–204

culturally based, 191–192, 238

cultural variation, 205–207

descriptive model, 203

dominant-culture methods, 192

emotions, role of, 200–201

future directions, 208–209

goals, 194

integrative solutions, 195–196

interest-based approach, 196–197, 207

mediation (*see* Mediation)

mediation guidelines, 191

models, 193

nonviolent, 197–198

overview, 193–194

power-based approach, 195–196, 207

prescriptive model, 203

principled negotiation model, 203

principles, 194–198

problem-solving workshops, 204

rights-based approach, 195, 196, 207

in schools (*see* Schools, conflict resolution in)

solutions, creating, 201

transcend dialogue method for transformation (*see* TRANSCEND method)

Conscientization, 288

Contact hypothesis

in Northern Ireland conflict, 45

recent research on, 47–48

Croatia, 61

Cuban Missile Crisis, 94, 142

Cultural context, 17, 297

Cultural devaluation, 78

Cultural Grid, 188–191

Cultural inequalities, 292

Cultural violence, 277

Culture of hate, 36–37 (*see also* Hate crimes)

Culture of peace, 351–352

Cyprus peacemaking mission, 169

## D

Dehumanization, 255

Democracy

patriarchal structural violence engendered in, 135

rarity of genocide in (*see* Genocide)

Deterrence, 3

Diabolical enemy image, 4

Direct violence, 7–8

under apartheid (*see* Apartheid)

circular relationship with structural violence, 12, 13, 15

generalizations related to, 16

preconditions to, 15

prevention, 277

social injustice, relationship between (*see* Injustice, social)

structural violence, leading to, 100

Discrimination

against sexual minorities, 31, 32 (*see also* Homosexuals, violence against)

Discourses, 314

Disruptive stress hypothesis, 72

Divided societies, reconciliation in (*see* Reconciliation, in divided societies)

Domestic violence, 15 (*see also* Battered Women's Syndrome; Intimate violence)

in military, 145

self-efficacy of batterer, 16

self-esteem of batterer, 16

Domino Theory, 5

Dresden firebombing, 90

## **E**

Economics, polarization of wealth, 151

Education for Mutual Understanding, 45

Ego defensive attitudes, 34

Emotional abuse, 20 (*see also* Intimate violence)

Empowerment

community-level, 337–338

family, 336

individual, 336

multilevel construct of, 335–336

organizational-level, 336–337

as psychological approach to structural change, 335

societal-level, 337–338

## Environment

globalization's effect on (*see* Globalism)

global warming, 150

ozone depletion, 150

rainforest destruction, 150

Eritrea, 341

Ethiopia, 341

Ethnic cleansing, 15 (*see also* Bosnia; Genocide; Mass killings)

Ethnic nationalism, 243, 244

Ethno-political trauma, in Bosnia (*see* Bosnia)

“Evil Empire Speech,” 1, 57

Experiential attitudes, 34

Experimental psychology, 2

Exploiter-victim relationship, 289

## F

“Face,” concept of, in Asian-Pacific culture, 186–187

Family violence, 112

Fear, psychology of, 319–320

Female infanticide, 131

Feminism, 342

Fight or flight mechanism, 319

Firearm accessibility in U.S., 112–113

Folk theory, 58

Frank, Jerome, 4

Fundamental attribution error, 142–143

## **G**

Galtung, Johan, 99

Game theory, 142

Gandhi, Mohandas K.

charisma, 312

discrimination against, 307

goals, 307–309

negotiation methods, 312, 317

non-cooperation, 317

nonviolence, 308–309, 314

peacebuilding strategies, 309–311

principles, 307–309

psychological explanations for his movement's success, 311–313

salt protest, 309–311, 312

*sarvodaya*, 307

*satya*, 307, 308

self-suffering, 309

similarity to his people, 312

social injustice, engaged people in thoughtful analysis of, 312

*tapasya*, 307–308

truth, 308, 313, 316–319

value system, 309

Gangs, 15

statistics on numbers in U.S., 111

Gay/lesbian hate crimes (*see* Homosexuals, violence against)

Gender inequality

economics, 133–135

education, 132

food/health care distribution, 132

intimate violence, relationship between, 23–26

structural violence against women (*see* Women/girls, structural violence against)

Gendering peace psychology, 341

Gender non-conformity, in childhood, 35

Generations of human rights (*see* Human rights violations)

Genocide (*see also* Group violence; Mass killings)

in Cambodia (*see* Cambodia)

child-rearing to reflect human values, 85

definition, 76

democratic societies vs. authoritarian/totalitarian, 78–79, 85

evolution, 77–78

twenty-first century prospects, 85–86

United Nations' preventive efforts, 86

Gettysburg, Battle of, weapon use, 66

Globalism

activism, 157

corporate structural violence, 151–152

dehumanizing work, 152–154

domestic terrorism, relationship between, 154–155

environmental effects, 150–151

human costs of, 150–151

monoculture, 155

poverty, distribution of, 151

prevention of structural violence, 155–157

vs. localism, 149–150

women's health, effect on through structural violence, 154

Gosanda, Maha, 291

Government, legitimacy of, 60

Graduated and Reciprocated Initiatives in Tension-reduction, 4

Grandmothers of the Plaza de Mayo, 163–164, 320–321

GRIT (*see* Graduated and Reciprocated Initiatives in Tension-reduction)

Group self-sacrifice, 290

Group violence (*see also* Genocide; Mass killings)

bystanders, role in, 80–81, 81–86

conditions as source of, 76–77

destructiveness, evolution of, 77–78

early warning, 82

group conflict as source of, 78–81

healing from, 83–84, 166

leaders and elites, role in, 80

preventing, 83

psychological response to difficult lives, 77, 79

truth commissions and tribunals (*see* Truth commissions and tribunals)

unhealed group trauma as source of, 79

workshops/dialogue and contact, 84

Guatemala, 262

classifying Mayans as subhuman by military, 164

human rights violations, numbers of cases, 164

indigenous rights, 164–165

“scorched earth policy,” 164

Gulf War, 57

## **H**

Haiti, 152

Hate crimes, 28–29

legislation against, 36

twenty-first century approaches, 109

Hate groups, 35 (*see also* Hate crimes)

High-context cultures, 185, 186

Hiroshima, 91

Hitler, Adolf, 80

HIV (*see* Human immunodeficiency virus)

Hobbes, Thomas, 314–316

Homelessness, 331–332, 338–339 (*See also* Poverty)

Homosexuals, violence against, 15, 16

attitude formation, 33–34

brutality of, 30–31

characteristics of violence, 30–31

coalition building, 37–38

educational responses to, 37

feminist perspective, 35

legal responses to, 36

political explanation, 34–36

prevalence, 29

psychological explanations of, 32–34

social responses to, 36–37

statistics, inaccuracy of, 29, 30

*Ho'oponopono*, 187–188

Human factors psychology, 2

Human immunodeficiency virus, 154

Human rights violations

    constructivist/cultural interpretations, 161–162

    generations of human rights, 158–160

    in Guatemala (*see* Guatemala)

    indigenous rights (*see* Indigenous rights)

    liberation psychology, relationship between, 160–161

    peacebuilding with extended rights, 166–167

Hussein, Saddam

    integrative complexity, 70–71

    role in creating group violence, 80

## I

Ideaology of antagonism, 79

Ideological violence, 278, 295, 297

IFOR (*see* NATO Implementation Force)

Indigenous rights, 159

    in Guatemala, 164–165, 166

Inequalities, cultural (*see* Cultural inequalities)

Ingroup attachment (*see also* Ingroup bias)

negative elements, 53

positive elements, 52–53

universality of, 52

Ingroup bias, 33, 53–55 (*see also* Ingroup attachment)

Injustice, social

detecting, 107–108

direct violence, relationship between, 102–103

fostering social justice (*see* Justice, social)

moral exclusion (*see* Moral exclusion)

structural violence, relationship between, 102–103

twenty-first century approaches, 109–110

Integrative complexity, 67–68

of Chamberlain, Neville, 74

cognitive approach, 73, 74

during Cold War, 69–70, 71

group dynamics, 72–73

groupthink, relationship between, 73

of Hussein, Saddam, during Gulf War, 70–71

impression management approach, 74

levels, 71–72

link to war and peace, 72–73

prior to 1850 compromise, American Civil War, 67–68, 69

of revolutionaries, 71

scoring, 75

during Suez Canal invasion, 71

of World War II leaders, 69

#### Intimate violence

abnormal psychology approach to, 20–22

acute battering stage, 22

attitudinal approaches to, 22–23

behavioral approaches to, 22–23

death, escalation to, 20

economic structures, as factor in, 25

family systems approach, 23–24

gender inequality (*see* Gender inequality)

as means to control and retaliate against women, 25

patriarchal structures, relationship between, 26

peace psychology as way to transform, 19

prevalence, 19

social learning approach, 23

state protection, inadequacy of, 25–26

tranquil phase, 22–23

twenty-first century discourse, 26–27

### Intrastate violence

authoritarian personality theory, 46

increasing, 48

managing conflict, 44–45

Northern Ireland, conflict in (*see* Northern Ireland, conflict in)

reconstructing societies post-conflict, 48

relative deprivation theory, 46–47

social identity theory, 46–47

theoretical explanations, 39–41

unified model for understanding, 45

### Iraq, 341

Iraq-Iran War, 87

UNSCOM inspection, 216

## **J**

James, William, 2, 140, 146, 147, 148, 350

Jerusalem Link, 348

Justice

compensatory, 258

retributive, 258

scope of, 9

social, 108–109, 283, 327

**K**

King, Jr., Martin Luther, 320, 321

Kleinian model, 93, 96

Klineberg, Otto, 3

**L**

Learning, cultural vs. technical, 206

Learning Communities Project, 237–238

*Leviathan*, 315

Liberal humanism, 295

Liberation psychology, 160–161, 279

development, 295

direct intervention, 304–305

South African case (*see* South Africa)

Localism, 149–150

Los Alamos Laboratory, 145

Low-context cultures, 185, 186

## **M**

Mandela, Nelson, 291

Many-sidedness of all phenomena, 317

Maslow, Abraham, 296, 297

Mass killings, 76 (*see also* Genocide; Group violence)

United Nations' preventive efforts, 86

McCarthy era, 3

McVeigh, Timothy, 154

Mediation, 202

women, 345

Media violence, 112, 114

Membership groups, 55, 56

Mexico

real wage level, 152

worker conditions, 152–153

## Militarism

alternatives to, 147–148

definition, 139

domestic violence in military, 145

economics of, 143–144

excessive, traditional explanations for, 141–143

as feminist theme, 345

financial costs, 139, 140–141

market forces, 144

masculinism, relationship between, 144–146

military preparedness, 140–141

monetary basis for, 143–144

as mystical experience, 146–147

ritualized masculinity, 145

sexual assaults in military, 144–145

sexual terminology for missiles, 145

social injustice, 139

Minimum wage, 127

Mirror image, 4

Mobilization, 288

Monolithic society, vs. pluralistic society, 78

Moral exclusion

definition, 103

dimensions of, 105, 107

psychological bases, 103–105

twenty-first century approaches, 109

Morgenthau, Hans J., 58, 59

Mothers of the Plaza de Mayo (*see* Grandmothers of the Plaza de Mayo)

Multiple group memberships, 55

“Mutually Assured Destruction,” 87

Mythmaking, 60–61, 62

**N**

Nagasaki, 91

Narcissistic group identity, 257

Nationalism

evaluative aspects of images, 56–57

“barbarian” image, 57

conditions that arouse, 59, 60

content aspects of images, 56–57, 58–59

“degenerate” image, 57

as human need, 49–51

ingroup bias (*see* Ingroup bias)

mythmaking (*see* Mythmaking)

narratives, 95

reference group theory (*see* Reference group theory)

research agenda, 63–64

scaling hypothesis, 55

theories of war (*see* War)

twenty-first century prospects, 64–65

vs. patriotism, 52–53

war, relationship between, 59–62

NATO Implementation Force, 180

Nazi science, 353

Networking, 288

Nike, working conditions, 151–152

Nongovernment organizations, 282, 346–347

Non-membership groups, 55, 56

Nonviolence (*see also* Gandhi, Mohandas K.)

direct action, 316

practicality of, 320–321

North American Free Trade Agreement, 152

Northern Ireland, conflict in, 341

authoritarian personality, as factor in, 42

contact hypothesis, 45

economic disparities, 99

pluralism, need for, 48

relative deprivation theory, as factor in, 42–43

segregation, 45

self-categorization, 44

self-concept from communities, 40

social categorization in, 44

social comparison process in, 44

social identity theory, as factor in, 43–44

violence, last twenty-five years, 42

Nuclear Non-Proliferation Treaty, 92

Nuclear weapons, 87 (*see also* Weapons of mass destruction)

implications of, 91

pride, as factor in countries developing them, 141–142

ritualized rites of passage for nuclear scientists, 146

## **O**

OASSSA (*see* Organization for Appropriate Social Services in South Africa)

Offense/defense ambiguity, 142

Oppenheimer, Robert, 145

Organization for Appropriate Social Services in South Africa, 302–303, 305

## **P**

Pakistan, 152

Patriarchy

definition, 130

structural violence in (*see* Women/girls, structural violence against)

Patriotism, vs. nationalism (*see* Nationalism

Peace

forceful, 294

vs. war, thin line between, 140

Peace Brigade International

Peacebuilding, 11–12

of basic human needs, 279–280

decision making, women's inclusion in, 345–346

with extended human rights, 166–167

feminist perspective, 341–342, 342–343, 344

by Gandhi (*see* Gandhi, Mohandas K.)

grassroots, women's, 343–346

human needs, satisfying, 370

as liberation psychology (*see* Liberation psychology)

non-Western models, 298

overview, 277, 278

structural (*see* Structural peacebuilding)

sustainable communities, promoting, 370

vs. peacemaking, 169, 178

women's peacebuilding, 342–346

## Peace education

cooperation, 224–225

systemic approach, 225

transforming, 370

## Peacekeeping, 169

changing precepts of, 175–176

humanitarian emergencies, dealing with, 179–181

integrative approaches, 178

as “negative” approach, 170

political will, lack of, 178

in post–Cold War, 174–175

preventive deployment, 175

United Nations, evolution of, 174–175

vs. peacebuilding, 178

vs. peacemaking, 178

## Peacemaking

Asian-Pacific case study, 185–186

in collectivistic cultures, 184–185

cultural relativity, 170–171, 183, 184, 192

fictions, 192

in high-context cultures, 185–186

in low-context cultures, 185–186

non-Western models, 183, 184–185, 186

as “positive” approach, 170

as response to violent conflict, 169

vs. peacebuilding, 169

Western models, 183, 184, 185, 186

#### Peace perspectives, children's

communication, 325

conceptions, 324

developmental considerations, 327–328

friendships, role of, 326–327

human values, 326–327

Netherlands, The, 325, 326

strategies, 324, 329

Sweden, 325, 326

twenty-first century perspectives, 328–329

#### Peace psychologists

activism, 357–359

consulation, 356–358

future roles, 361–362

orgins, 351–351

policy influencing, 359–361

sensitization, 354–356

## Peace psychology

activism vs. analysis, 366

emergence of discipline, 1

expansion, 363

four-way model, 364–365

intimate violence (*see* Intimate violence)

levels of analysis, 369–370

pro-action vs. reaction, 367

scope, 7

twenty-first century challenges, 368–369

universalism vs. relativism, 366–367

Peaceworkers, 83

Pearl Harbor, 69

Peer mediation, 227–228 (*see also* Schools, conflict resolution in)

of women and children, globally, 121

## R

Racism, 305–306

RDT (*see* Relative deprivation theory)

Realistic conflict theory, 32–33

Realist philosophy, 280, 315 (*see also* Hobbes, Thomas)

Realist theory, 58–59

Realpolitik

challenges to, 4

Cold War, analysis of, 6

definition, 2

ideology, 3

logic of, 142, 144

realist discourse, 315

theory of war, 58–59

Vietnam War, analysis of, 4–5

Reason, 315

Reconciliation, in divided societies (*see also* South African Truth and Reconciliation Commission)

acknowledging other side of division, 257

apology, 257–258

characteristics of divisions, 251–252

dialogue, 260

finding meaning of, 253, 254, 255

forgiveness, 257–258

justice, 259

past, role of, 255

policies, 261

reparation, 258–259

storytelling, 259, 260

testimony, 259–260

traditional institutions, role of, 260–262

truth, 256–257

Reconciliation, spiritual, 344

Reconstruction, post-war (*see* Post-war reconstruction)

Reference group theory, 55–56

Referent cognitions model, 46

Reich, Robert, 155

Relative deprivation theory, 40, 41

as factor in Northern Ireland (*see* Northern Ireland, conflict in)

social identity theory, relationship between, 46–47

Relativism, 278

Resources, social, distribution, 108

Rogers, Carl, 296

Rosenstrasse Protest, 322–333

Rwanda, 262, 305

controversy, 179

income and social disparities, 99

paramilitary organizations, 80

U.N. peacekeepers, 81

## **S**

Scaling hypothesis, 55

Scapegoating, of homosexuals, 32

Schools, conflict resolution in (*see also* Peace education)

age-appropriate materials, 238–239

case study 1, 225

case study 2, 225

case study 3, 228

case study 4, 234

case study 5, 236

case study 6, 237

five levels, 225

Level 1; student disciplinary system, 225, 227–228

Level 2; curriculum, 225, 228–233

Level 3; pedagogy, 225, 233–235

Level 4; school culture, 225, 235–237

Level 5; community, 225, 237

overview, 223–224

restructuring, 224

systems perspective, 223–224, 225

Science, role in justice/peace, 252–354

Security, 2

Self-actualization, 297

Self-categorization theory, 54

Self-categorization, 16

Self-determination, 287

Serbia, 61

Sexual abuse, 20 (*see also* Intimate violence)

SIT (*see* Social identity theory)

Skinner, B. F., 2

Social change, 224

Social identity, 16

Social identity theory, 40, 41–42

- anti-gay/lesbian violence, as factor in, 33
- as explanation for ingroup bias, 53–54
- as factor in Northern Ireland (*see* Northern Ireland, conflict in)
- relative deprivation theory, relationship between, 46–47

Social injustice (*see* Injustice, social)

Social power differentials, 284

Social psychology, 2

Social resources (*see* Resources, social, distribution)

Social strain

nonviolent, 289–290

psychological dimensions, 290–291

sacrifice, 290

Social structure, 284

Society for the Psychological Study of Social Issues, 3
