(Travel dates July 16-20)

## Requirements

All new students are required to attend the Summer Program. Continuing students are required to either attend the Summer Program or to have a Summer Program Waiver approved by the Staff Council. Continuation in the program depends on meeting these requirements.

## Limited Number

A limited number of students will be selected for the Summer Program based on their record of attendance, discipline, and effort during the academic year. **The application deadline is May 1<sup>st</sup>.**

## What the Commitment Statement Means

When you sign the commitment and are accepted, the staff will be looking forward to seeing you there, and a room reservation will be made for you, a meal plan will be purchased, books will be purchased and courses will be scheduled based on your needs. A great deal of time and money will be invested on your behalf.

## If your plans change

If, after signing the commitment, you discover that you cannot attend the summer program, notify the Upward Bound office as soon as possible. A Summer Waiver must be submitted and approved. Failure to do so may result in termination from the program.
