

College of Nursing Drug Screening Requirement

All online students must submit documentation of a drug screening to Wilce Student Health Center **prior to October 1.**

All College of Nursing students in your program are required to complete a drug screen. Students will be screened in their first semester of enrollment in their program. Students that cannot complete a drug screen at the Wilce Student Health Center are responsible to seek a facility on his/her own as well as payment for his/her drug screen. Students may use [this form](#) to document their screening.

Online students should submit documentation of their 10-panel screen to:

Wilce Student Health Center Room 152

The Ohio State University 1875

Millikin Rd. Columbus, OH 43210-2200

Or upload to MyBuckMD.

Students must be screened for:

Amphetamine
Benzodiazepine
Barbiturates
Cocaine
Ecstasy
Marijuana
Methamphetamine
Opiates
Methadone
Oxycodone
