Become a Master Gardener Volunteer

The **Ohio State University Extension Master Gardener Volunteer Program** provides intensive training in horticulture to interested Ohio residents, who then volunteer their time assisting with educational programs and activities for Ohio residents through their local OSU Extension county office.

Volunteers are not required to have gardening skills or knowledge; but a passion for learning about gardening and sharing this knowledge with others is a must!

Working with county Extension personnel, Master Gardener Volunteers provide such educational services to their communities as: answering gardening questions from the public; conducting plant clinics; gardening activities with children, senior citizens, or disabled persons; beautifying the community; and developing community or demonstration gardens.

Course Information

Clermont County is planning to host a Master Gardener Volunteer training program starting in October 2, 2018 at OSU Extension – Clermont County at the 4-H Hall Kitchen. The class will be held on Tuesday and Thursday evenings from 6-9p until November 20th. The cost is \$250 and the deadline to register is September 1, 2018. A \$100 (non-refundable) deposit is required at the time of registration. A minimum of 10 committed trainees is needed in order to present the 15 training classes. If the minimum of 10 is not met, the \$100 deposit will be refunded.
