Thursday, January 31, 2019 | TIME 1:00 P.M. – 4:00 P.M.

Southern Ohio Agricultural Fertilizer Certification Training

This meeting will fulfill the three-hour requirement for applicators who need the agricultural fertilizer applicator certification.

Who Should Attend the Training? Fertilizer certification is required if you apply fertilizer (other than manure) to more than 50 acres of agricultural production grown primarily for sale. If you hire a co-op or other custom applicator to make your fertilizer applications, you do not need the certification. This training is for private and commercial applicators.

What will be covered? Best management practices will be the basis of the agricultural fertilizer certification training with a focus on fertilizer applications that have the appropriate rate, timing, placement and source.

Location: Brown County Fairgrounds. Carpeted Room/Rhemus Hall
325 W. State St. Georgetown, OH 45121
