

# WHAT DO YOU THINK?

Research study on the health of adults with Intellectual and Developmental Disabilities (IDD)

What do **adults with IDD** think about health measures?

We want to know how you feel about **YOUR** health

## What will you do?

- We will meet you and your support person\* at the OSU Nisonger Center
- You will answer questions about your health in an interview

## How long will this take?

- 2-4 hours

## \*Who is a support person?

- A family member, friend, or caregiver that knows you well
- They will be your study partner
