The Ohio State University Nisonger Center has created a Rehabilitation Research and Training Center (RRTC) on Health and Function for People with IDD. This research is funded through the Administration for Community Living (ACL) (NIDILRR grant number 90RTHF0002). For this research, we want to listen to adults with ID. We want to know how you feel about your health.

What will you do?
- We will meet you and your support person* at the OSU Nisonger Center or your home.
- You will answer questions about your health in two interviews.

How long will this take?
- 2-4 hours per interview.

*Who is a support person?
- A family member, friend, or caregiver that knows you well.
- They will be your study partner.

Want to know more?
Call us: 614-688-8148
Email us: rrtcnisonger@osumc.edu

In the 1st interview, you and your support person will each earn a $25 gift card.

In the 2nd interview, you and your support person will each earn a $50 gift card.
