

Are you an autistic adult?

We would like to hear from you!

Click here to take a 25-30 minute survey on your reading and writing experiences.

If you qualify and complete the survey you can be entered to receive one of five \$20 gift cards.

Who can participate?

- Adults (18+) who identify as having an autism spectrum disorder.

What will participants do?

- Participants will complete an online survey and answer questions about their views on reading and writing research, their experiences with reading and writing instructions, and how they use reading and writing in their daily lives.
- Participants can complete the survey on any computer, tablet, or mobile device.
- Participants will also have the opportunity to expand on their responses in an interview via email, phone, or videoconference.

What will participants receive?

- Participants can opt-in to a raffle for one of five \$20 gift cards.
- The opportunity to provide their insight to guide future research endeavors.
