

Frederic M. N. Bertley, Ph.D.
PRESIDENT & CEO

Dear Sheri and the OSU TOPS Program,

I wanted to send along my sincere appreciation for your team's help in assembling COSI's Learning Lunchboxes on October 23.

During these uncertain times, COSI is working hard to ensure all children in our community have access to science education content, and your help makes certain COSI can reach a record number of families. Your volunteering is especially appreciated during this difficult time for our community. We look forward to welcoming you back in both a volunteering and guest capacity soon!

Sincerely,

A handwritten signature in blue ink, appearing to read 'Frederic M. N. Bertley', is written over a light blue circular graphic element.
