Spring 2017: Best of Student Startups (BOSS)

Do you have an idea for a business, service, or product that you want to get off the ground? If so, the Best of Student Startups (BOSS) competition is a great first step!

Through a series of interactive workshops, students will be provided valuable information and coaching to make their business ideas a reality. At the end of the program, five ideas will be selected to pitch their at the BOSS Finale.

The winning team will be awarded a $1,500 toward the development of their idea!
