REMEMBERING AYOTZINAPA

WITH
OMAR
GARCÍA

WEDNESDAY
SEPTEMBER 27TH
5:00-6:25PM
EDUCATION 307

Omar García is one of the students from the school for rural teachers, "Raúl Isidro Burgos," who was present at the events of September 26th, 2014 and survived the attack of the army and police. He has been one of the most visible spokespersons of the group of parents and students who in spite of the lack of advances in the case, or precisely because of this, continue to demand truth and justice.

Presentation will be in Spanish, no translation provided.
