OFFICE OF DIVERSITY & INCLUSION

Biological Sciences Division (BSD)

We work to support the hiring, development, and retention of traditionally underrepresented groups within science and medicine. In addition, we aim to foster a culture in which inclusion is appreciated and nurtured among the myriad constituents comprising the Biological Sciences Division.

Our Focus:
- Faculty
- Medical Trainees
- Basic Science Students
- Post Doc Scholars
- BSD Staff

Resources:
- Thinkshops:
  - Implicit Bias: A Primer
  - Creating LBTQ Safe Spaces
  - Examining Privilege
  - Gender Identity & Expression
  - Responding to Microaggressions
- Resource Groups
- Seed Grant Funding

Faculty Initiatives:
- Research Grant Funding
- Faculty Diversity Committee
- New Faculty Ambassadors
- Warner-Reynolds Academy
