Beckman Scholar Program

ADDITIONAL REFERENCE EVALUATION FORM

The below named student is applying to participate in an undergraduate research program at the University of Chicago. We seek academically talented undergraduates but the student is not required to have previous research experience.

Reference name__________________________________________________________

Applicant's Name__________________________________________________________

Last First MI

I ___ waive ___ do not waive my right of access to this evaluation and letters of recommendation.

- Under what circumstances and during what period have you known the applicant?

- With what peer groups are you comparing the student (e.g. all undergraduates, biology, chemistry, or physics majors, pre-medical students, etc.)?

- Your overall evaluation of this student, in comparison with the peer group listed above.

(Circle choice)

Extraordinary (top 1%) Outstanding (top 5%) Very Good (Top 10%) Good (Top 20%) Average Poor

Please provide additional comments, below or as a letter, focusing on the student's intellectual ability, motivation and capacity for research, and how this undergraduate fellowship will advance the student's scientific career.
