## divvy: campus bike sharing

Divvy is Chicago's bike sharing system that is available 24/7, 365 days a year. Designed to provide a fun and affordable transportation option for Chicagoans ages 16 and older, this resource is now accessible to the University of Chicago community. Biking is one of the best ways to explore the UChicago campus and Hyde Park neighborhood. So, what are you waiting for? Grab a pass and start riding!

### THE BASICS

#### HOW IT WORKS

Each Divvy station has a touchscreen kiosk, Chicago-wide station map, and a docking system that uses a member key or ride code to release bikes to Divvy users. Users who purchase an annual pass will receive a Divvy key by mail that can be used to check out a bike at any Divvy station. Users who purchase a 24-hour pass will receive a key code. Enter the code at a Divvy kiosk in order to release a bike from the station.

When you are no longer in need of the bike, return it to any Divvy station location. The green light will confirm that your bike is secure. Divvy crews ensure that every station is neither full nor empty for returning and releasing bicycles. Don't forget: you have unlimited rides with both the 24-hour pass and annual membership, so be sure to use them!

✓ **TIP:** There are several Divvy stations located on or near the UChicago campus. Please refer to the map on the reverse side of this guide for location information.

✓ **TIP:** For faster and easier access to ride codes, 24-hour passes, nearby stations, and more, download the Transit App at [divvybikes.com/transitapp](http://divvybikes.com/transitapp). Available on iPhone and Android-based devices.

### PRICING

A Divvy one day pass is quite affordable. The 24-hour pass can be purchased for \$9.95 at any Divvy station. It is important to note that the one day pass only allows you to *release* bikes from any station. It does not cover the potential cost of the trip. The first 30 minutes of each ride is free, with extra charges for each *additional* 30 minutes. Prices are as follows:

30 to 60 additional minutes: **\$2**

60 to 90 additional minutes: **\$6**

Each additional 30 minutes: **\$8**

✓ **TIP:** To avoid incurring additional charges, simply dock and check out your bike again at any Divvy station every 30 minutes. By doing so, the timer is reset and your Divvy ride is virtually free!

### RIDING TIPS

Divvy provides its users with important riding tips, which are listed below. Detailed information is also available at [divvybikes.com/riding-tips](http://divvybikes.com/riding-tips).

- > Do a pre-ride check of tire pressure, brakes, and seat height
- > Plan your route
- > Wear a helmet
- > Follow traffic laws
- > Be predictable when riding with traffic
- > Walk bikes on sidewalks
- > Yield to pedestrians

Riders must also adhere to Chicago bike laws and follow the Illinois State Bicycle Rules of the Road.

✓ **TIP:** Not sure what the laws and rules are for bike riders? Please visit [cityofchicago.org](http://cityofchicago.org) and [cyberdriveillinois.com](http://cyberdriveillinois.com).
