LIFE

Not everyone will understand your journey. That’s okay. You’re here to live your life, not to make everyone understand.

Some days I wish I could go back in life. Not to change anything, but to feel a few things twice.
Sometimes in Life everything goes smoothly.

And sometimes unexpected things happen.

The important thing is knowing how to turn those problems into solutions.

It’s easy to look sharp when you haven’t done any work.
