
Accessible Events

Event Planner's Checklist

Our Approach

The Office for Access and Equity (“OAE”) in the University of Chicago Office of the Provost’s Equal Opportunity Programs supports the full participation of all members of the University community in the life of the University. University events, meetings, or programs on- and off-campus are a key part of University life. The University is committed to planning accessible events and providing reasonable accommodations to support access for individuals with disabilities. By supporting the full participation of all members of the University community, including persons with disabilities, the University provides members in the community with the opportunity to teach, work, learn, and interact in an inclusive environment.

*In making access a key tenet in event planning,
you make a commitment to making your event inclusive
and welcoming to all attendees.*
