

# COVID-19

## Health and Safety Guidelines

### Stay Home

If you have a fever, cough, or other symptoms

### Wear a Face Covering

In University buildings and on campus grounds when others are within 6 feet

### Social Distancing

Stay at least 6 feet apart from other people

### Frequent Hand Hygiene

Hand washing and using hand sanitizer keeps you healthy and prevents the spread of infections

### Disinfection

Workspaces and frequently touched surfaces should be cleaned and disinfected regularly

### Do Not Congregate

In the lobby or other common spaces of the building
